Press Release June 1, 2015

On May 28, 2015 the Lake County Sheriff's Office was dispatched to 3564 South Ridge (Mr. Lee's Bar) in Perry Twp reference a breaking and entering complaint. The owner of the business, Donald Lee Miller, reported that his business was entered and a safe with an undisclosed amount of money was removed from the business. The Ohio Bureau of Investigation also responded to the scene to assist in the investigation by processing the scene and collecting evidence.

On May 30, 2015 the Lake County Sheriff Office Heroin Task Force, Trumbull County Sheriff Office, Geauga County Sheriff Office, Ashtabula County Sheriff Office, and Portage County Sheriff Office were conducting a joint investigation after all agencies had related incidents occurring in their respective jurisdictions. As a result of a collaborative effort from all agencies involved a suspect was developed and arrested on an unrelated matter.

As a result of the arrest, evidence was located and property belonging to the bar was recovered that linked this suspect to the incident at Mr. Lee's. The suspect is currently being held in another jurisdiction pending the formal charges being filed against him.
